➔ WHY THE ICBF?

We’re more than just a festival

The cargo bike industry comes together at the International Cargo Bike Festival.

That’s what we’re best known for, but we also specialise in putting your organisation in the spotlights.

Online and in print; we can get you visibility in front of various engaged, cargo bike-related audiences.

➔ OUR SOCIAL MEDIA REACH

Let us boost your social media

We’re a trusted voice in the cargo bike world

Our social media channels are one of the primary ways we communicate with our audience. We work hard to reach out across the world and spread the cargo bike message on our social media channels. In response, our following has grown steadily and organically over the years.

This brings opportunities to organisations that want to make waves in the cargo bike industry. Use our platform to showcase your organisation, work, products or services to an engaged audience of followers.
